FIRE TRAINING

1. **KY Wildland Awareness**  
   4 hours Friday evening  
   This course will run from 6-10 PM on Friday evening. This course is the Fire Commission’s mandatory 4-hour introduction to wildland firefighting. The course covers the minimum training required for certification as a firefighter in Kentucky.  
   **Equipment needed:** None  
   **Prerequisites:** None  
   **Open to Ages 15+**

2. **Flashover Awareness**  
   4 hours Friday evening  
   This 4-hour class will run Friday evening from 6-10 PM. This course will provide information on flashover recognition and ways to survive. This is a required class for anyone not certified by January 1, 2014.  
   **Equipment needed:** None  
   **Prerequisites:** None  
   **Open to Ages 15+**

3. **NIMS 300 Intermediate ICS for Expanding Incidents**  
   20 hours Friday, Saturday & Sunday  
   This course is designed for those emergency response personnel who would function in a Command or General Staff position during a large, complex incident or event. Or those personnel who are or would likely be part of a local or regional Incident Management Team during a major incident, whether single agency, multiagency or Unified Command. Attendee must have completed ICS-100 and ICS-200 prior to class. **This is a 3-day course offered Friday, Saturday, and Sunday**  
   **Equipment needed:** None  
   **Prerequisites:** None  
   **Open to Ages 15+**
4. Thermal Imaging for the Fire Service  
A thermal imager can be a great tool, but like any other tool, a thermal imager is only as good as the operator using it. Bullard is committed to ensuring that firefighters have the proper training to use thermal imaging technology effectively, which is why they have graciously agreed to sponsor this class. Topics of the class will include: Principles of Energy and Heat Transfer, Thermal Imager Functions, Image Interpretation, Colorized Heat Technologies, Thermal Imaging Applications which include size-up, suppression tactics, search and rescue, Haz-Mat, and RIT.

**Equipment needed:** Department TIC Optional.

**Prerequisites:** None  
**Open to Ages 15+**

5. New Fire Chief 1  
The goal of this National Fire Academy course is to provide an awareness of the managerial, administrative, and leadership skills necessary for new or recently appointed or elected fire chiefs to effectively meet their obligations. This course addresses critical knowledge and skills pertaining to the responsibilities of a fire chief; the nature of local politics and the fire chief’s role in local politics; and liability and risk management issues and resources available to help the new fire chief. The primary audience for this course is the new chief in a volunteer, combination, or career department setting, but other chief officers will gain from the information presented.

**Equipment Needed:** None  
**Prerequisites:** None  
**Open to ages 15+**

NFA Certificates issued to those individuals with NFA ID  
[www.usfa.fema.gov/nfa/about/attend/ftin.shtm](http://www.usfa.fema.gov/nfa/about/attend/ftin.shtm)

6. Basic Firefighting  
This course covers 16 of the 20 recommended hours for a new firefighter in Kentucky and offers both classroom and hands-on training.

</tr>
</tbody>
</table>

Equipment Needed: None

Prerequisites: None

Open to Ages 15+

8. Rural Firefighting Tactics

16 hours Saturday & Sunday

This class will discuss the strategic, tactical and task level decisions made by the first arriving officer and ultimately by the Incident Commander. The decisions made by the IC for rural firefighters is different for rural vs. urban incidents. There are various contributing factors, some predictable and many not predictable, that impact the outcome of a decision in a rural area. This class will discuss the modern fire behavior research and its impact on strategy and tactics.

Equipment needed: None

Prerequisites: None

Open to Ages 15+

9. Arson I - FRS 2074

16 hours Saturday & Sunday

This course is the *National Fire Academy’s “Arson Detection for the First Responder.”* The classroom delivery will cover many phases of initial fire scene investigation with emphasis on the firefighter’s responsibility in arson detection. This course satisfies the requirement for FRS 2074 in the KCTCS AAS Fire/Rescue Technology Degree Program. Students should be prepared to take an exam at the conclusion of the course.

Equipment Needed: None

Prerequisite: MUST HAVE PERMISSION LETTER FROM CHIEF OF DEPARTMENT SENT IN WITH REGISTRATION.

NFA Certificates issued to those individuals with NFA ID

www.usfa.fema.gov/nfa/about/attend/ftin.shtm
### Equipment Needed:
None

### Prerequisites:
None

#### 10. Fire Behavior/Control-Live Burn Flashover

This is a NFPA 1403 compliant **LIVE-FIRE** course which will utilize the Flashover burn trailer (not an acquired structure burn.)

**Equipment Needed:** Full turnout gear and SCBA with PASS device and spare cylinder. All turnout gear must be compliant with NFPA 1971; students will not be allowed to participate if the instructor(s) find that the gear is not NFPA compliant or otherwise poses a hazard. SCBA cylinders must have a current hydrostatic test date.

**Prerequisites:** Completion of NFPA 1403 required components prior to enrolling. The Live Fire Course Competency Validation form must be sent in with registration. Any student with facial hair that impedes the seal of the face piece will not be allowed to participate in accordance with NFPA Standards/OSHA 1910.134. **Junior Firefighters will be allowed to participate in the classroom portion but not actively participate in live fire exercises.**

Open to Ages 15+

#### 11. Fire Behavior/Control-Live Burn Propane Emergencies

This is a **LIVE-FIRE, HANDS-ON** course that helps the firefighter make an informed decision concerning propane emergencies. The Bobtail Propane Prop will be used.

**Equipment Needed:** Full turnout gear and SCBA with PASS device and spare bottle. All turnout gear must be NFPA compliant; students will not be allowed to participate if the instructors find that the gear is not NFPA compliant or otherwise poses a hazard. SCBA bottles must have a current hydrostatic test date.

**Prerequisite:** Completion of the NFPA 1403 required components prior to enrolling; “Live Fire Course Competency Validation” form must be submitted prior to the starting of the class. **Junior Firefighters will be allowed to participate in the classroom portion but not actively participate in live fire exercises.**

Open to ages 15+

#### 12. Principles of Modern Fire Attack: SLICE-RS (M0000)

This class will provide a firsthand look at the UL/NIST Modern Fire Behavior/Dynamics studies and serve to educate students how they can be delivered and instituted in their fire departments. It is our hope that by compiling the best lessons learned from the fire dynamics
research, fire departments will be able to adjust their policies, tactics and training to create a safer environment for the fire service as well as the people we serve in our communities. This information has been known to be controversial to some, so be prepared for great discussions. You don’t have to look far for good discussion regarding fire command, control, accountability and especially fire behavior. The shared science, research and best practices are another tool for your toolbox! Go home to your department with a renewed outlook and with a healthy knowledge of the Principles of Modern Fire Attack: SLICE-RS.

**Equipment Needed:** None

**Prerequisites:** None

### RESCUE TRAINING

<table>

<tbody>
<tr>
<td>13 &amp; 14. Firefighter Survival &amp; Rescue - FRS 2052 (FC10000/FC20000)</td>
<td>16 hours</td>
<td>Saturday &amp; Sunday</td>
</tr>
</tbody>
</table>

This course is designed to help firefighters save themselves when trapped or involved in an impending flashover. The course is required for Kentucky Firefighter Certification and upon successful completion of the course, 1.1 hours of degree credit will be awarded for FRS 2052. “Participant” certificates issued to all completing required skills. “Observer” certificates issued to those who observe but do not do the skills.

**Equipment Needed:** Full turnout gear including SCBA and PASS device.

**Prerequisites:** Competent in the use of Personal Protective Equipment. Permission Form if Explorer/Jr. Firefighter

NFA Certificates issued to those individuals with NFA ID

[www.usfa.fema.gov/nfa/about/attend/ftin.shtm](http://www.usfa.fema.gov/nfa/about/attend/ftin.shtm)

Open to Ages 15+

<th>Course Description</th>
<th>Duration</th>
<th>Dates</th>
</tr>
</thead>
<tbody>
<tr>
<td>15. Advanced Rope Rescue</td>
<td>16 hours</td>
<td>Saturday &amp; Sunday</td>
</tr>
</tbody>
</table>

This is not a class for learning basic level skills! Students should have successfully completed Basic and Intermediate Rope Rescue as taught by KCTCS or equivalent. This is a physically demanding class that requires teamwork and a cooperative attitude. **This class will use natural surfaces for rope rescue and not the training tower.**

**Equipment Needed:** Student must furnish helmet with retention and suspension system meeting NFPA, UIAA, or NIOSH safety standards, clean leather gloves, and boots that provide adequate ankle support. Personal/agency harnesses and hardware are welcome pending inspection and approval of instructors. All other equipment will be provided.

**Prerequisites:** Basic and Intermediate Rope Rescue

Open to 18+

<table>

<th>Duration</th>
<th>Dates</th>
</tr>
</thead>
<tbody>
<tr>
<td>16. Advanced Auto Extrication</td>
<td>16 hours</td>
<td>Saturday &amp; Sunday</td>
</tr>
</tbody>
</table>

This course is designed to educate the rescuer on the non-conventional techniques of vehicle extrication. Students will demonstrate a unique way of disentangling victims from wreckage.
Students must be an active member of a department that performs vehicle extrication and be an experienced member that performs the hands-on skills used during these calls.

**Equipment Needed:** Full turnout gear

**Prerequisites:** Basic Auto Extrication

</tbody>
</table>
23. Integration of Drones into the Fire Service 8 hours Saturday and repeated on Sunday

This class will introduce the students to drones and how that they can be integrated into the fire service. It will include an overview of FAA regulations, introduction to the licensed pilot examination, safety precautions in using drones and risk management with drones. The class will also include hands-on flying simulation software and an actual rescue simulation. This is an 8-hour class Saturday and repeated on Sunday.

Equipment Needed: None
Prerequisites: Level I Instructor
Open to Ages 15+

24. Public Information Officer Awareness 16 hours Saturday & Sunday

Are you dreading your next interview? This class has been designed with the fire department spokesperson in mind. The class will consist of lecture and hands-on training led by both firefighters and actual reporters from WYMT-TV. You will be much better prepared the next time a news camera shows up on your fire scene. Participants will receive a FEMA certificate for completing the course.

Equipment Needed: None
Prerequisites: None
Open to Ages 15+
LIVE FIRE Course Competency Validation Form

REQUIRED For: _____________________

The 2012 edition of NFPA Standard 1403 require that “Student” participating in a LIVE FIRE TRAINING EVOLUTION who have received the required minimum training from other than the authority having jurisdiction shall not be permitted to participate in any LIVE FIRE TRAINING EVOLUTION without presenting prior written evidence of having successfully completed the prescribed minimum training to the levels specified in NFPA 1403 CH.(4) 4.3 (4.3.1, 4.3.2) 2012 Edition.

NFPA 1403 requires “student prerequisites” to permit participation in LIVE FIRE TRAINING EVOLUTIONS. These prerequisites are:

Chief/ T.O. initials

1) Safety
2) Fire Behavior
3) Portable Extinguishers
4) Personal Protective Equipment
5) Ladders
6) Fire Hose, Appliances, and Streams
7) Overhaul
8) Water Supply
9) Ventilation
10) Forcible Entry
11) Building Construction

Signature of FIRE CHIEF or T.O. who has initialed above ________________________________

The Fire Chief or Training Officer Of ________________________________ Fire Department authorizes that ________________________________ has completed the prerequisites and may participate in the LIVE FIRE TRAINING at ________________________________

This form may be duplicated as needed and must accompany any registration for above live fire training classes.

PROOF OF AGE WILL BE CHECKED! You must be at least 18 years of age and a member of a Fire Department recognized by the KENTUCKY FIRE COMMISSION to participate in LIVE FIRE CLASSES delivered by SFRT” IDs will be checked by SFRT Instructors before allowing students to participate in LIVE FIRE TRAINING. STUDENTS under the age of 18 will NOT be allowed to participate.
EXPLORER/Jr. FF PERMISSION FORM

Mountain Firefighters Association Fire School Policy: This form must be submitted for all EXPLORER/Jr. FFs UNDER 18 YEARS OF AGE. In addition, there is a zero-tolerance policy for any person exhibiting disruptive or disrespectful behavior. In the event of an incident, the parents (guardian) and the fire chief of the student will be contacted.

Fire Department must have filled proper paperwork with KY Fire Commission

Student Name: ____________________________________________

Date of Birth: ______________________________

Name of class(es): ___________________________________________________________________

_____________________________________________________________________________________

_______________________________________________________________________________

*Students enrolling in Driver’s Training must send a copy of their Driver’s License with this form

STATEMENT OF PARENTAL CONSENT

I, ____________________________, as parent or legal guardian of the above-named student, do hereby give permission for my son or daughter to participate in the course(s) listed above. I understand that some classes require a certain level of skill/experience and ability and that by signing this form, I attest that I have evaluated my dependent’s ability to perform in the above-named class/classes and believe that my dependent is capable of performing such tasks. My signature also acknowledges that I have read the Mountain Firefighters Association Fire School’s zero tolerance policy concerning disruptive or disrespectful behavior (above) and I understand that my son or daughter will be removed from class if found to be in violation of this policy.
